**INDUSTRIAL STRENGTH  
TOOLS & FASTENERS™**

# SureShot™ Staplers put it all together.®

If you have a material that needs stapling, there's a DUO-FAST® SureShot™ Stapler to power you through.

Our newly expanded line of fine and medium wire tools can handle virtually any application, from cabinet and picture frame assembly to furniture upholstery, millwork and house wrap.

Pick one up for yourself. DUO-FAST® SureShot™ Staplers are compact and lightweight but big on pure, driving power. Most important, they deliver the kind of day-in, day-out durability and reliability that industrial users demand.

Got a tough job? Specify the toughest staplers and fasteners in the industry. Specify DUO-FAST®.

Rugged aluminum castings

Comfortable rubber grip

Long, clean nose design for maneuverability and maximum workpiece visibility

Durable extruded aluminum magazine

Bottom load magazine for fast, easy loading

## Cabinet Making

Powerful narrow and medium crown staplers for cabinet making, drawer assembly, and case backs.

## Insulation

High-productivity solutions for speeding installation of insulation batts and netting.

## Upholstery

Stainless steel staples in 20 and 22 gauge for corrosion-resistant upholstery.

## Packaging

Flat wire staples that fasten without tearing cardboard and packaging materials.

## SureShot™ 1832 Narrow Crown Stapler

### Features & Benefits:

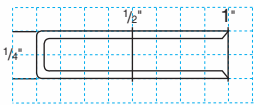

- Durable, industrial-grade quality
- Drives up to a 1" staple
- Light & compact for easy stapling in tight quarters
- Galvanized 18 gauge staples for exterior applications

### Specifications:

Weight:	2 lbs., 10 oz.
Gauge:	18
Crown:	1/4"
Wire Size:	.050" x .040"
Load Capacity:	110
Size Range:	1814CGR (7/16") to 1832CGR (1")
Points:	chisel and wedge
Item Number	1015458

### Accessories:

- 1832CGR 8050 1" white-painted staple available for aluminum soffits
- Remote fire valve – item 219267 OMR 50.42
- Sequential trigger – item 219272 OMR 80.40.1
- Auto-fire cap – item 501618
- 3mm Longer Driver Blade – item 219283
- Double-Length Magazine – item 501511

## SureShot™ W1832 Medium Crown Stapler

### Features & Benefits:

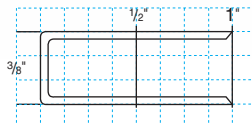

- Industrial-grade quality for extra durability
- Drives up to a 1" staple
- Ideal for case back applications
- Light & compact for easy stapling in tight quarters
- Wider 3/8" crown minimizes staple pull-through

### Specifications:

Weight:	2 lbs., 11 oz.
Gauge:	18
Crown:	3/8"
Wire Size:	.050" x .040"
Load Capacity:	110
Size Range:	W1816CGR (1/2") to W1832CGR (1")
Points:	chisel
Item Number	501469

### Accessories:

- Remote fire valve - item 219267 OMR 50.42
- Sequential trigger – item 219272 OMR 80.40.1
- Auto-fire cap – item 501618
- Double-Length Magazine – item 501510

## SureShot™ 6532 Wide Crown Stapler

### Features & Benefits:

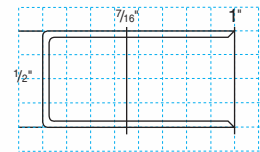

- Durable, industrial-grade quality
- Flat wire staple is ideal for case back applications
- Light & compact for easy stapling in tight quarters
- Drives up to a 1" staple

### Specifications:

Weight:	2 lbs., 11 oz.
Gauge:	19
Crown:	1/2"
Wire Size:	.050" x .030"
Load Capacity:	100
Size Range:	6514CXR (7/16") to 6532CXR (1")
Points:	chisel
Item Number	501483

### Accessories:

- Remote fire valve - item 219267 OMR 50.42
- Sequential trigger – item 219272 OMR 80.40.1
- Auto-fire cap – item 501618
- Double-Length Magazine – item 501512

## SureShot™ 5020 Wide Crown Stapler

### Features & Benefits:

- Heavy-duty construction
- Bottom load magazine makes clearing jams easy
- Rear exhaust keeps exhaust away from work piece

### Specifications:

Weight:	1 lb., 9 oz.
Gauge:	20
Crown:	1/2"
Wire Size:	.050" x .020"
Load Capacity:	100
Size Range:	5006C (3/16") to 5018C (9/16")
Points:	chisel and divergent
Item Number	1015190

Some sizes available in stainless steel

### Accessories:

- Remote fire valve - item 219268 OMR 50.05
- Dual trigger - item 219269 Safety Kit

## SureShot™ 5020S Stapler

### Features & Benefits:

- Wraparound work contact for bump fire capability
- Industrial-grade quality for high-volume applications
- Bottom load magazine allows easy loading

### Specifications:

Weight:	2 lbs., 1 oz.
Gauge:	20
Crown:	1/2"
Wire Size:	.050" x .020"
Load Capacity:	100
Size Range:	5006C (3/16") to 5018C (9/16")
Points:	chisel and divergent
Item Number	1015466

## SureShot™ 5020 DLAF Stapler

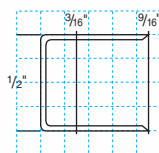

### Features & Benefits:

- Double length, bottom load magazine for fewer reloads
- Auto-fire trigger, adjustable up to 1,400 cycles per minute
- Industrial-grade quality for high-volume applications
- Uses same 5008C or 5010C fasteners as the HT-550 hammer tacker

### Specifications:

Weight:	2 lbs., 10 oz.
Gauge:	20
Crown:	1/2"
Wire Size:	.050" x .020"
Load Capacity:	200
Size Range:	5006C (3/16") to 5018C (9/16")
Points:	chisel and divergent
Item Number	1015465

Some sizes available in stainless steel

## SureShot™ 3118 Upholstery Tacker

### Features & Benefits:

- Lightweight for easy handling
- Rubber comfort grip reduces hand fatigue
- Hammer cap for added durability
- Double-length magazine auto-fire version available (SureShot 3118 DLAF – item 501581)

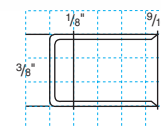

### Specifications:

Weight:	2 lbs.
Gauge:	22
Crown:	3/8"
Wire Size:	.030" x .025"
Load Capacity:	168
Size Range:	3104C (1/8") to 3118C (9/16")
Points:	chisel
Item Number	501565

Some sizes available in stainless steel

### Accessories:

- Dual trigger – item 219269 Safety Trigger Kit
- Long-nose kit – item 501750

## SureShot™ 3424 3/16" Crown Stapler

### Features & Benefits:

- 23 gauge 3/16" crown staple for fine work
- Quick, easy bottom loading
- Compact & lightweight
- Rear exhaust keeps oil away from work piece

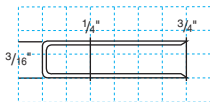

### Specifications:

Weight:	2 lbs.
Gauge:	23
Crown:	3/16"
Wire Size:	.030" x .020"
Load Capacity:	180
Size Range:	3408C (1/4") to 3424CXR (3/4")
Points:	chisel
Item Number	1015191

Longer lengths in high carbon wire

### Accessories:

- Remote fire valve - item 219268 OMR 50.05
- Dual trigger - item 219269 Safety Kit

## SureShot™ 5424 3/16" Crown Stapler

### Features & Benefits:

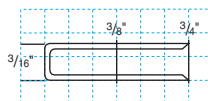

- Rear exhaust keeps oil away from work piece
- Ideal for carpet installation on harder stair materials for thicker-backed carpets
- Long nose for reaching into tight spots

### Specifications:

Weight:	1 lb., 9 oz.
Gauge:	20
Crown:	3/16"
Wire Size:	.050" x .020"
Load Capacity:	100
Size Range:	5412C (3/8") to 5424CR (3/4")
Points:	chisel and divergent
Item Number	1015192

### Accessories:

- Remote fire valve - item 219268 OMR 50.05
- Dual trigger - item 219269 Safety Trigger Kit

## SureShot™ 6432 3/16" Crown Stapler

### Features & Benefits:

- One-inch fastener length for pre-finished gypsum board
- Rear exhaust keeps oil away from work piece
- 19-gauge staple for extra holding strength

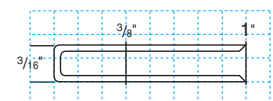

### Specifications:

Weight:	2 lbs. 5 oz.
Gauge:	19
Crown:	3/16"
Wire Size:	.050" x .030"
Load Capacity:	100
Size Range:	6412CR (3/8") to 6432CR (1")
Points:	chisel
Item Number	1015410

Some sizes available with painted crowns

### Accessories:

- Remote fire valve - item 219268 OMR 50.05
- Dual trigger - item 219269 Safety Trigger Kit
- Double-Length Magazine - item 501769

## SureShot 1848 18g Narrow Crown Stapler

### Specifications:

Weight:	4 lbs.
Gauge:	18
Crown:	1/4"
Wire Size:	.050" x .040"
Load Capacity:	180
Size Range:	1816CGR (1/2") to 1848CXGR (1-1/2")
Points:	chisel
Item Number	501568

Some sizes available with painted crowns

### Features & Benefits:

- Industrial-strength durability
- Drives up to 1-1/2 inch staples
- Two-strip magazine for less frequent reloading

### Accessories:

- Remote Fire Valve - item 219267 OMR 50.42
- Sequential Trigger - item 219272 OMR 80.40.1

## SureShot 1820 18g Narrow Crown Stapler

### Specifications:

Weight:	2 lbs.
Gauge:	18
Crown:	1/4"
Wire Size:	.050" x .040"
Load Capacity:	90
Size Range:	1812CGR (3/8") to 1820CGR (5/8")
Points:	chisel
Item Number	501570

### Features & Benefits:

- Perfect for plastic corner bracing in cabinets
- Only 5-3/4 inches tall for tight spaces
- Dual trigger system

### Accessories:

- Remote Fire Valve - item 219268 OMR 50.05
