more than 1000 pins

## Versatile!

The T3 fastens into:

- Concrete
- Hollow Block
- Pan Deck
- Steel

Without changing power  
or color loads

**FAST**  
*10 times faster than anchoring*  
*5 times faster than powder*

**NO LICENSE REQUIRED**  
*no special training*

**QUIET**  
*work in tenant  
occupied buildings*

## Safe!

Safety managers recommend the  
T3 because there's no licensing or  
training required.

- Lower Recoil Reduces Operator Fatigue
- Quieter than Drilling & Anchoring or Powder
- Eliminates Exposure to Concrete Dust (Silicosis)
