BUY

If you are interested in buying used equipment, R.V. Evans Company is your resource for quality refurbished used equipment. Our service technicians, with over 70 years of combined experience, bring all of our used equipment up to optimum levels of operation before being placed in your facility.

SELL

Need to get rid of some equipment? We buy a wide range of different brands of used equipment in the categories of case tapers, tabletop & arch strappers, stretch wrappers, L-bar sealers & shrink tunnels, and printers.

BROKER

R.V. Evans Company offers a brokering service to assist those clients interested in selling equipment that is more customized or specialized. The equipment may be targeted for specific industries or present unique logistic demands.

TRADE

We strive to identify the best Value Added Solutions for our business partners. This includes reviewing all current processes and options including opportunities for equipment trades. R.V. Evans Company will be happy to review your equipment trade interests.

CONTACT
