Starter Kit
AIRmove®
incl. 2 rolls of film

AIRmove®
improve your packness

Do you fancy keeping it simple?

Why not make your own air-cushion film –
with AIRmove®.

Whether big, heavy or fragile –
you can pack your product
safely and efficiently in a few seconds.

AIRmove®
improve your packness ■■■

www.my-packness.com

Discover the fun of packaging:

- attach the roll of film
- start up the device
- produce air-cushion film at the touch of a button
- the air-cushion film is ready to use as packaging

With a minimum of effort...

Only 1 product for protection and cushioning

Saves space in the warehouse

Professionally packaged for transport

...for maximum success!
