

Introducing A Whole New Angle

EcoEdge™

- 100% recycled content
- Waterproof material
- Reduces packaging costs
- Safe and easy to handle
- Strong and clean appearance
- Reclaim program

RECLAIMS, RECYCLES AND REUSES

- ▶ EcoEdge™ like our Cornerboard™ can be reclaimed, recycled and reused in the manufacturing of new EcoEdge.
- ▶ ITW Angleboard has the unique ability to recycle co-mingled waste, paper and plastic, which consistently end up in our landfills.
- ▶ ITW Angleboard is a member of the Sustainable Packaging Coalition.

Have an ITW Angleboard representative explain how we can help with your sustainable packaging efforts today!
