

Ultimate Force® Machine Film

Ultimate Force Machine Film offers proven performance for high end stretch wrapping applications. If you need optimum performance regardless of gauge, Ultimate Force film is the right choice for your application.

Features

- QUIET/CLEAR CAST FILM
- EASY UNWIND
- ONE SIDE CLING
- PUNCTURE/TEAR RESISTANT
- HIGH ELONGATION

Benefits

- EXCELLENT MACHINABILITY ON AUTOMATIC EQUIPMENT
- DOWN GAUGE CAPABILITY FOR LOW COST PER LOAD
- TEAR/BREAK RESISTANT FOR UNINTERRUPTED WRAPPING OPERATION
- NO BAR CODE SCANNER ISSUES

What Our Customers are Saying

“Ultimate Force allows for a phenomenal less amount of stretch film at a higher performance. It wraps a lot more pallets, and it’s also a lot tougher.”
