

# Spartan® HandFilm

Spartan was designed as a high performance and environmentally sensitive stretch film for maximum unitization. Because of Spartan's ultra thin gauge, both packaging material consumption and material costs are reduced. In addition, Spartan protects your unitized goods from shifting and moving during transport.

## Features

- FIVE DISTINCT LAYERS
- CAST MANUFACTURING PROCESS
- HIGH CLARITY
- SUPERIOR LOAD RETENTION
- ULTRA THIN FILM THICKNESS
- EXCELLENT PUNCTURE

## Benefits

- MAXIMUM FILM PERFORMANCE
- CONSISTENT FILM PERFORMANCE
- PROPER IDENTIFICATION/ BAR CODING
- TIGHTER PACKAGE/ REDUCED SHIFTING
- SOURCE REDUCTION/REDUCED PACKAGE COST
- PROTECTION/REDUCED BREAKS

Spartan HandFilm	Gauge (mil)	Gauge (micron)	Width (cm)	Length (feet)	Rolls Per Skid	Net Roll Weight

## What Our Customers are Saying

*"Gauge for gauge, Paragon film is much better than anyone else's, then you get down to how it's packaged and shipped and the fact that you can use everything on the core - it's no contest."*
