

SmartMOLD™

IntelliPack SmartMOLD™ custom molds are prefabricated to a specific dimension to provide customers with precise, consistent cushioning and void-fill in places that need it the most. A great option for small or medium volume requirements, SmartMOLD™ custom molds reduce packaging waste and offer protection in hard to reach areas and for delicate, awkwardly-shaped parts.

- Create custom molds, prefabricated to a specific dimension.
- Consistent cushioning and void-fill in places that need it the most.
- Reduce packaging waste.
- Void-fill in hard to reach areas.

APPLICATION	Pre-mold
